Nagle Catholic College Enrolment Information

NAGLE
CATHOLIC
COLLEGE
EST 1994

Dear Parents/Guardians,

Thank you for expressing an interest in a place for your child at Nagle Catholic College. Please find enclosed information about our College and an Application for Enrolment form. You may also wish to visit our website, www.ncc.wa.edu.au to enable you to learn more about the College and the opportunities we provide. We are a Catholic school, however, we warmly welcome applications from students from all faiths and backgrounds.

Our prime focus is to ensure that your child's educational experience enables them to develop fully and empowers them to make a positive contribution to society. We hold strongly to the view that the success of every student is important. The College provides each child with an array of opportunities to assist them to create and refine a perspective of life, rich in personal values. The learning environment is designed to support a contemporary, flexible and dynamic approach to learning that promotes the entrepreneurial skills of collaboration, communication, critical thinking, problem solving and leadership. There are many opportunities for your child to participate in a variety of spiritual, sporting, cultural, leadership and personal development programs. These experiences, combined with an outstanding academic curriculum make Nagle Catholic College an ideal school to assist your child to achieve their full potential.

Should you wish to proceed with this Application, please complete the Application for Enrolment form and return it with the application fee payment of \$55. Please include a photocopy of your child's Birth Certificate, Baptism Certificate (if applicable), latest School Report, and Year 5 NAPLAN report.

If you would like further information in relation to your application for enrolment, please contact the Enrolment Officer, by calling (08) 9920 0500 or emailing NagleEnrolments@cewa.edu.au.

Yours sincerely,

Mr Michael Williams
Principal

Welcome to Nagle Catholic College

Nagle Catholic College is a Catholic, co-educational secondary school established in 1994 to serve the needs of families in the Mid West region. The College is well regarded within the community and this is reflected in the current enrolment of over 1200 students from Year 7 to Year 12.

"We strive to provide our students with a balanced and holistic education which equips our graduates to live fulfilling and purposeful lives as happy and productive members of the wider community."

Welcome

Nagle Catholic College strives to provide students with a personalised level of care and attention. By identifying a child's strengths and career preferences, the College can tailor their learning to reach their goals. Outside of the curriculum, Nagle aims to help each child to gain confidence, form friendships and be prepared to take their place in the world.

History

The College evolved following the amalgamation of Stella Maris College and St Patrick's College in Geraldton in 1994. Nagle acknowledges the faith beliefs and traditions of both schools and seeks to develop the vision of our Founders in a contemporary and modern Catholic setting.

Nano Nagle, from whom the College takes its name, founded the Presentation Sisters in Ireland in 1775. Their work was to offer girls education, formation and care, which was at the time available only to those of the higher reaches of society. Inspired by their work, Edmund Rice founded the Christian Brothers in 1808. From then the Presentation Sisters and the Christian Brothers worked closely together and established schools throughout Australia.

"The College crest is an ongoing reminder of both our ancestry and the continuing aspiration which embraces all who are connected with Nagle Catholic College."

College Leadership Structure

The College is led by the Principal - Mr Michael Williams

Vice Principal - Mrs Robyn Gummery

Deputy Principal Faith and Life - Mr Murray Gardiner

Deputy Principal Students - Mrs Susan Seaward

College Chaplain - Father Bernard Balaraj

Business Manager - Mrs Tammy Zanotti

Boarding

Our boarding students are accommodated at the Geraldton Residential College, which is a short 10-minute walk from the Nagle campus. Students are provided with a 'home away from home', modern facilities, healthy 'home-cooked' meals and a safe, supervised and caring environment. In partnership with the Geraldton Residential College, Nagle has secured access to 45 beds at the facility.

Boarding House Liaison Officer, Mr Kerry Pile, maintains regular contact with our boarders and their families. In their roles, they regularly check in with the boarders, to offer support and advice as required.

College Motto

Our College motto, **'For Others'**, encourages students to take time to put others first.

We look to our students and staff to go **'One Step Beyond'** as Nano Nagle and Edmund Rice did.

Pastoral Care

Nagle's holistic approach to education ensures that particular attention is paid to the social and emotional wellbeing of each student. A variety of strategies ensures students remain happy and balanced in the way they view themselves and others. In many cases, this focus is developed through an integrated approach with students on a daily basis in classes and other activities. On other occasions, specific activities and experiences are designed to meet the pastoral needs of the students.

In Year 7 to Year 10, students participate in Christian Service Learning and our Year 11 students have the opportunity to volunteer abroad as part of our For Others Club program, putting faith into action.

Each student is assigned to a House within the College and is linked to a Home Room teacher who they see at the beginning of each day.

A Director of Students takes primary responsibility for the social and academic needs of students in each Year group and they are often the first point of contact with students and families.

Our Aboriginal Liaison Officer, Mrs Michelle Shiosaki, takes particular interest in the pastoral care of our Aboriginal students and their families.

Our College Chaplain, Father Bernard Balaraj provides students and staff with spiritual leadership.

In addition, our College Counsellors are available to assist students who are experiencing difficulties or concerns in their academic, family or social life.

Students have ready access to advice regarding elective selection, work experience, career choices, pre-requisites for courses in Year 11 and Year 12, access to TAFE, university entry and the world of work.

Learning Support

Within our educational setting, the College provides support for students with a range of disabilities and learning difficulties. Our Learning Support staff work closely with teachers and families to develop individual plans, where there are learning concerns, learning difficulties and disabilities. Our resources include a specialised Learning Support centre within the College, *The Hub*. In addition to the centre, a team of education assistants support teachers within regular classrooms, helping to ensure students can reach their full potential.

House System

Our House system encourages teamwork and friendly competition within a supportive environment.

The names of the six original Houses derive from the Bishops who served the people of the Geraldton Diocese. The two new Houses, commissioned in 2014, take their names from Stella Maris Presentation College and St Patrick's College.

Curriculum

The College provides a Christian education, founded on the teachings and traditions of the Catholic Church. The formal curriculum and the many experiences available to students at the College are designed to address the academic, spiritual, social, cultural and physical needs of each student.

All students attending Nagle undertake courses in Religious Education and English.

Year 7

Year 7 students will engage in a rotation of taster courses throughout the year. These are designed to give students an experience across all Learning Areas and provide opportunities to find out which subjects appeal to both their strengths and interests.

Students also study the core courses of:

- Religious Education
- Arts
- English and Languages
- Health and Physical Education
- Humanities and Social Sciences
- Mathematics
- Science
- Technology

All Year 7 students take Ignite Skills, a course that assists them with the adjustment to studying in a secondary school environment.

Year 8 and Year 9

In Year 8 and Year 9, students are offered a degree of choice and are given the opportunity to select specialised curriculum courses to study. Year 8 students will choose eight elective courses to study and Year 9 students will choose six elective courses.

The College provides a wide range of courses which span the following nine Learning Areas:

- Religious Education
- Arts
- Collaborative Learning Projects
- English and Languages
- Health and Physical Education
- Humanities and Social Sciences
- Mathematics
- Science
- Technology

Year 10

Year 10 students will study six core courses:

- Religious Education
- English
- Health and Physical Education
- Humanities and Social Sciences
- Mathematics
- Science

Students select two elective courses per Semester to provide them with a more in-depth experience and as preparation for Year 11 and Year 12.

Tutoring

Curriculum Learning Areas within the College each offer tutoring or additional support at no charge.

Senior School

Year 11 and Year 12

To meet the varied and individual needs of our students, the College offers a number of pathways that prepare students for university, for further tertiary education, for apprenticeships and for the world of work. The College offers a rich selection of ATAR and General courses, Certificate courses, UniReady courses and Vocational Education and Training (VET) pathways.

Students are encouraged to select their courses based upon their interests.

UniReady

In partnership with Curtin University the UniReady Program provides Year 12 students with an alternative entry to the university. Students complete ATAR or General English, Religious Education, and two UniReady units per Semester. Upon completion of the program, students are awarded a notional ATAR of 70, which can be used to satisfy the entry criteria to a range of degrees at Curtin University.

Vocational Pathways

The College Careers and Vocational Education and Training (VET) Department aims to prepare students for life beyond school in employment, training or further study.

Successful completion of VET provides students with nationally recognised qualifications that deliver the skills and knowledge required for specific industries and occupations.

JumpStart

Our JumpStart program is designed to provide Year 10 students with learning experiences that develop foundation skills preparing them for further vocational studies, exploring future career pathways and preparing them for entry into the workforce.

Students can choose from:

- **JumpStart Careers and Life**
- **JumpStart Work Studies**
- **JumpStart Trades**
- **Jumpstart Work Skills**

There are also a number of community-based programs available for Year 10 students:

- **Try-A-Trade**
- **Student Health Academy**

Senior School

AVET pathway can make school more interesting and relevant for students while kick starting their career with recognised qualifications. Students can graduate with their Western Australian Certificate of Education (WACE) and have the choice to continue with their TAFE studies or decide to move into a higher education course.

The following VET programs are offered at the College:

- **Pre-Apprenticeships and Traineeships in Schools (PATiS)**
- **School-based Apprenticeships/ Traineeships(SBA/Ts)**
- **Workplace Learning (WPL)**

Students can also choose a certificate course to complete either as a part of their course selections at Nagle or to be completed off campus at Central Regional TAFE.

- **Certificate III in Business**
- **Certificate II in Construction Pathways**
- **Certificate II in Workplace Skills (Year 12)**

The complete list of subjects offered for Senior School students can be found in our Curriculum Handbook available on our website.

"We create learning pathways to suit the unique needs of all our students."

Programs

Academic Curriculum Extension

The College recognises the unique gifts and talents of all of our students and seeks to provide enriching extension activities for students with demonstrated academic aptitude. Academic Curriculum Extension (ACE) is a dynamic course that aims to develop students' critical and creative thinking, problem solving skills, and academic resilience. This program is designed to promote curiosity and enhance students' intrinsic motivation in an academically stimulating environment.

Our ACE Program runs from Year 7 to Year 10, with Year 7 entry considered through application.

Ignite the Flame

There are many programs at Nagle aimed to ignite students curiosity and develop a sense of belonging and identity in Year 7.

Friendology, Aussie Optimism, and The Resilience Doughnut are wellbeing programs designed to empower students with the skills, language and self-confidence to be better friends and develop healthier friendships.

Our goal is for these programs to further enhance the safe and caring environment at Nagle, and for students to demonstrate that through respect and kindness to others.

Emerging Leaders Program

We believe that all students are capable of developing leadership skills and contributing to the student voice in our College community. Our Emerging Leaders Program helps our Year 11 students to develop these skills. The program aims at being inclusive and offering our students the opportunity to develop specific leadership skills. Students are invited to nominate for future leadership positions upon the completion of the program.

AFL Academy

Commencing in 2022, the College launched its Nagle Knights Australian Football League (AFL) Academy.

The program is available for Years 7 to 10 students.

Our Nagle Knights AFL Academy will provide students who wish to pursue an excellence in the sport of AFL an opportunity to further develop their footballing ability with a focus on improvement of skills and game play.

Led by staff member, Mr Mitchell Boyle, a former East Fremantle player, and College Head Boy, the program will provide students with a diverse AFL experience with the emphasis on development of individual and game skills.

Instrumental Program

The College offers students the opportunity to learn an instrument through our Instrumental Program. Lessons are available for complete beginners through to the more advanced students. Students are able to apply their skills in a variety of ensemble groups and the College Choir.

Special Instrumental Scholarship

The Year 7 Special Instrumental Scholarship program is offered to students who show potential for learning and excelling with a chosen musical instrument. With 25 scholarships on offer, the students selected will have the option to learn a band instrument or voice for free through the program.

Retreats

Retreats are an integral part of Catholic school life. Every Year group has a unique Retreat, with all students required to attend. They promote our College values, giving students an opportunity to examine their faith in the context of these, and to think about the role faith will have in their future.

Our Beacon Servant Leadership Program for students in Year 10 to Year 12. It complements and builds upon the work done in our Christian Service Learning and Retreat programs.

Camps and Trips

Students at Nagle are given many opportunities to extend their learning outside of the classroom with a range of cultural, service, language and recreational trips, held locally, interstate and overseas. These provide students with active learning through fun and rewarding personal challenges in different and often beautiful surroundings.

Cultural Awareness Camp

These camps provide students with an opportunity to connect with the land, grow in cultural awareness, and develop respect for Australia's first people.

Service Trips

Service trips empower students to make a positive impact on the lives and communities of others less fortunate. As part of the Beacon Servant Leadership Program, Year 11 students can participate in an overseas immersion pilgrimage.

Special Annual Events

St Patrick's Day Games

Each year the College holds games to commemorate St Patrick and the Irish heritage of our founding orders, the Presentation Sisters and the Christian Brothers. Students compete in a test of strength, endurance and strategy for their Houses.

Sports Trips

All students have the opportunity to be selected to participate in a number of Associated & Catholic Colleges of WA (ACC) Carnivals. The carnivals provide students the opportunity to further develop their skills whilst representing their school in a variety of sports. Year 11 students also have the option to go on the Gold Coast Netball trip held in the July school holidays.

General Information

Entrance

We are a Catholic school however, we warmly welcome applications from students from all faiths and backgrounds. Over the years, the College has been home to students from many parts of the world, whose diversity and different cultural heritage enrich our College community.

To apply for a position at the College, please complete our Application for Enrolment form and return it with the application fee payment of \$55. Please include a photocopy of your child's birth certificate and baptism certificate (if baptised Catholic), latest school report, and recent NAPLAN result.

For a personal tour and all information regarding enrolments please contact our Enrolment Officer.

Uniforms

Our trans-seasonal uniform provides students with the opportunity to express themselves with the variety of options available. Students wear the one uniform throughout the year with options to suit variations of climate and student preference. Uniforms can be purchased from Total Uniforms which is open Monday to Saturday, 2 Jensen Street, Geraldton.

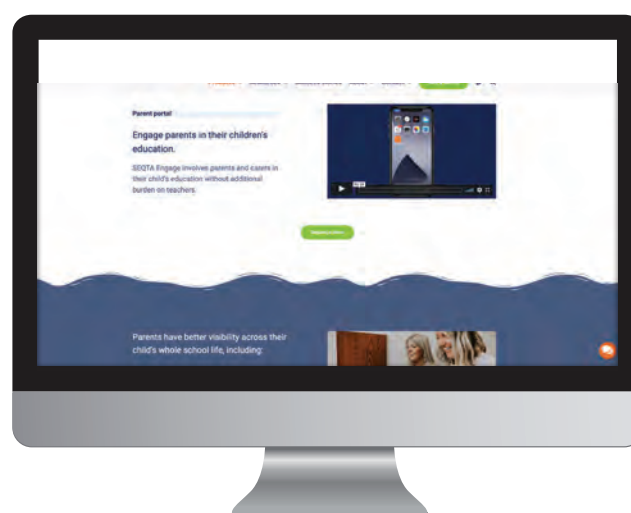

SEQTA

Communication between the College and the home is essential for the effective education of students.

SEQTA incorporates all aspects of a student's life connecting students, families, and staff in a collaborative teaching and learning system. Access is provided upon a student's commencement at the College.

The College has a Bring Your Own Device (BYOD) program. Information regarding this can be found on our website.

Introducing our TM—TM5 Year 12 Student Leadership Team

In 2025, the College will be led by College Captains, Jarrad and Saskia. In these positions, they will be positive role models for students by being active, present and enthusiastic about all aspects of student life.

Throughout the year, Jarrad and Saskia will represent the College at various functions, be involved in Student Leadership Council meetings, take responsibility for inducting the Year 7 students into the College, and represent all students fairly and consistently.

College Captain - Jarrad

"I am thrilled to be able to accept the role of a College Captain in the year 2025. I look forward to leading the College by example and being a role model for the students and the community. I will present myself with a positive attitude and always be an approachable person to talk to. I will aim to work collaboratively with the students and teachers to make a successful year at Nagle in 2025."

College Captain - Saskia

"I am so excited and very grateful for the opportunity to be a College Captain for 2025. I strongly believe that being a leader means to be a part of a team. I also believe actions speak louder than words. I look forward to working hard to support all students and staff at Nagle Catholic College in their endeavours and make 2025 a year of fun where effort is rewarded. I hope that we can work together to have a great year."

The Beacon Servant Leadership Program

The Beacon Servant Leadership Program is designed to help selected students in Year 10 grow their leadership and become servant leaders, ready for future opportunities in senior school. It is centred around the idea that leaders are called to be in service of others. A leader at Nagle Catholic College is someone that ought to embody the College Motto of being '*For Others*'.

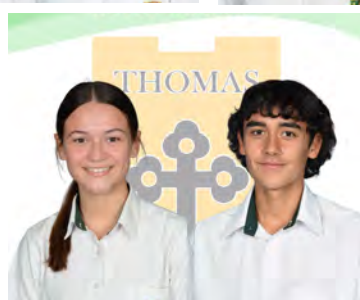

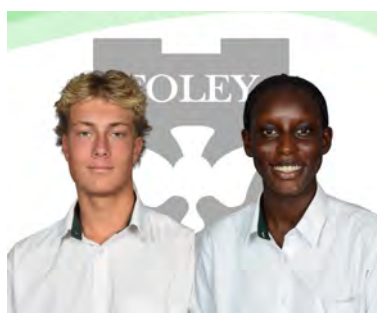

The program endeavours to provide experiences and projects where the students are given opportunities to develop:

- Organisation skills
- Communication skills
- Public speaking
- Emotional intelligences
- Teamwork and collaboration skills
- Networking

House Captains

House Captains are elected to represent their House on the Student Leadership Council and to encourage participation and House spirit.

Faith & Life at Nagle Catholic College

Let's go 'One Step Beyond!'

At Nagle, students are on a journey that takes them 'One Step Beyond!'

As a Catholic school, we want to propose, rather than impose, our Catholic worldview. We draw inspiration from those who have come before us. In His ministry, Jesus left behind the comforts of His everyday life and His home to embark on a journey that arguably has transformed the world since.

In the 1800s, His message inspired the patrons of this College – Venerable Nano Nagle and Blessed Edmund Rice – to leave behind their lives of privilege and listen to the plan God had for them. We draw particular inspiration from Nano Nagle, spending her nights on the streets of Cork, Ireland, with her lantern, finding those in need and being the 'light in their darkness'.

What does this mean for a Nagle student?

It means that regardless of when you join our community, Nagle students are on a journey that will take them 'One Step Beyond' - This is our Vision for Learning.

Our Faith and Life Program is designed to give all members of our community a chance to see that Jesus wants us to have a "full and abundant life" (John 10:10). As students engage in Retreat programs, Liturgies, Sacraments, Christian Service Learning, or 'Pick up the Lantern' on an immersion experience, they encounter others, revealing the dignity of every human person.

Ignite the Flame

Year 7 is a time to 'Ignite the Flame' and embark on a journey of discovery!

The 7 Retreat experience connects students more deeply with high school life and brings them into closer relationships with other people with whom they share their journey. Our students are encouraged to see themselves as pilgrims setting out on a journey, to help them find meaning and purpose in their lives and perhaps grow their relationship with God.

As part of their Religious Education course, students learn and understand the nature of Christian service, and the value in giving back through project-based learning, focused on homelife and their local neighbourhood.

Year 7 should be a time of joy and excitement of what lies ahead. So, through the lens of our Catholic faith, it is our hope that each student is given multiple opportunities to 'Ignite the Flame' in them to feel included in all that this wonderful community has to offer.

Light the Way

Students in Year 8 are encouraged to 'Light the Way' as members of our College community.

Nagle students are typically highly engaged with their local community, be it in sport, clubs, or volunteering. In Year 8, students discover how they can 'Light the Way'.

The Light the Way Retreat builds on the pilgrim spirit started in Year 7, with reflection and activities focused on their journey so far.

A focus for Year 8 Religious Education is community, which sees students come to better understand the role we all can play in building a sense of community. As part of their project-based learning in Year 8, their coursework prepares them for Christian Service Learning in the wider Geraldton region in organisations like Foodbank or Catholic agencies like Centacare.

"I enjoyed the Retreat because it was a time to get to know Year 7s that are in your House by doing fun activities."
Claire

Shine the Light

We think it is important that young people recognise their gifts and talents, so students in Year 9 are encouraged to ‘Shine the Light’

Year 9 Retreat is about examining relationships and discovering who we are, and what we can offer the world. It is through relationships that we become more self-aware. A key feature is to understand how serving others can significantly impact personal growth, understood through learning and developing particular skills, and reflecting on the impact of experiences. Therefore, service learning and time for reflection are key components of the Year 9 Retreat.

Selected students have the opportunity to participate in the Beacon Servant Leadership camp. This camp is centered around our College motto, placing students in situations where they grow closer in relationship with their peers and overcome challenges to grow their leadership potential. As part of the Beacon Program in Year 10, it is hoped students use these learned skills, along with their gifts and talents over the course of Years 10, 11 and 12, to make a difference in our community.

Illuminate the Path

For students in Year 10, our program guides them on how to ‘Illuminate the Path’ ahead. It can be powerful to pause and reflect on the journey so far, and consider the way forward.

Our students place themselves on their own crossroads. We are there to offer support and help them ‘Illuminate the Path’ forward.

The focus of the Year 10 Retreat is to bring about a sense of peace and indeed ‘rest for the soul’ as they make their choices. It is a time for students to commit to themselves and the College as a whole person. The Retreat is a time to focus on the path ahead and what support they require in choosing their ‘right path’.

Carry the Lantern

Students in Year 11 begin inheriting some of the leadership responsibility in the College, and by doing so are encouraged to 'Carry the Lantern'.

Venerable Nano Nagle's image is captured at the entrance of our College, embodied in a bronze statue, accompanied by two children, with her lantern raised in front. It is a daily reminder to all about her evenings spent searching for children living on the streets of Cork, Ireland. This is our inspiration for Year 11 students to 'Carry the Lantern'.

Our Year 11 Retreat enables students to look at the qualities of leadership and how they can be the best Christian example to others. They will soon be accepting the mantle of responsible leadership at the College, so they become more equipped for the challenges ahead. This Retreat sees our students visit the local primary schools and run activities with the younger students, engaging them and giving back to the community that helps grow them.

One Step Beyond

Year 12 is the culmination of dedication and hard work. As our students go 'One Step Beyond', we take time to celebrate their lives and each other.

The Year 12 Retreat is arguably the highlight of the year for Year 12 students. Over the three days/two nights spent at Nukara Farm, students reflect upon where they have come from, where they are at present and where they are headed.

This Retreat is a particularly special one as it is one of the last times the students are together as a Year group and they receive very special affirmations from family and friends as they journey into life beyond school.

Nagle Care. For Others, with others.

Nagle Catholic College is committed to its motto, 'For Others'. This motto goes to the core of what it means to be a Christian. Jesus in the Gospels reminded his followers that he came to serve and not be served. Therefore, an important part of being a Nagle student is to find authentic ways to live out this value of servanthood modelled by Christ.

Nagle Care is a program designed to enable students to participate in community service appropriate for their age and ability. Community service is defined as 'Activities undertaken for the benefit of individuals and/or community for no financial reward'. It is designed to encourage students to actively seek and organize their own opportunities for community service and volunteer their own time. Students in all year levels are encouraged to complete volunteer service in the following areas of the community.

Beacon Servant Leadership Program

The Beacon Servant program is designed to help selected students in Year 10 grow their leadership and become servant leaders, ready for future opportunities in senior school. It is centered around the idea that leaders are called to be in service of others. A Leader at Nagle Catholic College is someone that ought to embody the College Motto of being 'For Others'.

The program endeavors to provide experiences and projects where the students are given opportunities to develop:

- Organisation skills
- Communication skills
- Public speaking
- Emotional intelligences
- Teamwork and collaboration skills
- Networking

A pilgrimage is a chance to walk in someone else's shoes.

Our Year 12 students are given the opportunity to participate in a life changing experience called *Camino Salvado*. This pilgrimage is a five day, 120 km journey that retraces the footsteps of Rosendo Salvado, a Benedictine monk who in the 1800s founded Australia's only monastic town – New Norcia.

Pilgrims are challenged both physically and spiritually, testing their faith and courage, but by the end they draw on strength from each other to achieve their goal of walking to New Norcia. Camino offers a significant formation experience for students as they journey into adulthood.

'Ignite the Flame' and 'Light the Way'

Service to Our Family and Neighbourhood Community

Year 7 and 8 students are asked to seek out opportunities to provide service in their family home and close by neighbours. This service needs to be outside of normal expectations or responsibilities and must assist or be of benefit to a family member or neighbour.

Examples of service may include: gardening, washing the car, cleaning the house (not your bedroom), helping a younger sibling with homework, cooking dinner with a parent.

Minimum hours of service for the year - 20.

'Shine the Light'

Service to the Nagle Catholic College and Parish Community

Year 9 students are asked to seek opportunities to provide service to members of our school and Parish. This service can be completed during school hours (outside of learning time) that will benefit or assist members of staff, other students, Catholic Agencies or the Parish.

Examples of service may include: assisting staff to set up/pack away lessons, fundraising activities for Catholic Agencies, coordinating environmental projects like recycling, helping at Breakfast Club, cleaning up or gardening around the Cathedral, Altar serving or reading at Mass.

Minimum hours of service for the year - 20.

(students will complete 6 hours as part of their Retreat program, so will need to seek at least an extra 14 hours of their own).

'Illuminate the Path', 'Carry the Lanter' and 'One Step Beyond'

Service to the Geraldton Community

Year 10, 11 and 12 students are asked to seek opportunities to provide service to the wider Geraldton community. This service needs to be provided in their own time and assists or be of benefit to a local 'not-for-profit' organisation or club. Examples of service may include: volunteering at St Vinnies or a soup kitchen, coaching/umpiring/water carrier for a sporting team, helping or performing at a local community event, assisting in Parish celebrations.

Minimum hours of service (Year 10 and 11) - 20 hours.

The Nagle Care Program for Year 10 - 12 is a School Curriculum and Authority (SCSA) endorsed program that enables students to have their community service hours acknowledged as part of their WACE. For every 55 hours of service a student completes, they will receive a WACE point (1 unit) towards graduation.

"The Retreat provided all different types of emotions and most of all provided a time of reflection and to be vulnerable within a safe space. It gave us all the chance to reflect upon our next move and to understand how our past has shaped our present which then leads into our future."
Nickey

Immersions and Cultural experiences open the hearts and the minds of our students. The College is committed to offering students opportunities to be immersed in the culture of others and learn from their way of life.

Aboriginal Community Immersions

Pilbara Regions of Western Australia

Each year the College works with Catholic missions to connect to a remote aboriginal community to provide students in Year 11 with an opportunity to be immersed and to experience life in that community. Students spend time working with the students at the school, helping out in the community and participating in the activities and life of the people.

Overseas Cultural Immersions

The College is currently planning a biannual cultural experience for students in Year 10 and 11 to India. The trip will connect students to the story of our parish patron saint, St Francis Xavier, and well-known Catholic locations, as well as experiences of immersing themselves into the life of young people in India. Students will have the opportunity to work in schools and visit orphanages. The trip is planned to provide rewarding experiences that push people out of their comfort zone and discover the true meaning of what makes a 'good life'.

Enjoy the Journey!

AGREEMENT

The College is bound by the National Privacy Principles contained in the Commonwealth Privacy Act.

1. I/We certify that the information given herein is true and correct. I/We acknowledge and accept that if it can be demonstrated that I/we have withheld information relevant to the application/enrolment process, especially in relation to the student's individual needs, and/or Parenting Orders, then the enrolment may be refused or terminated on this ground.
2. I/We understand and accept that the completion of this Application for Enrolment form does not guarantee an enrolment interview. Successful applicants will be determined in accordance with the College's enrolment criteria.
3. I/We understand and accept that attended at an interview does not guarantee an enrolment offer being made.
4. I/We understand that enrolment of a student in one Catholic school does not guarantee the enrolment of that student in any other Catholic school.
5. I/We have read and fully understand and agree that enrolment in a Catholic school means that we and our child will participate fully in all required aspects of the educational program of the school including the Religious education and co-curricular program of the College.
6. I/We have read and fully understand and agree to the terms and conditions set out in the Schedule of Fees and Charges.
7. I/We agree to abide by the policies and directions of the College and the Catholic Education Commission of Western Australia as they are enacted from time to time.

CONDITIONS FOR ADMISSION

1. Nagle Catholic College is a Catholic school. The first condition for Admission is that the potential student and parents accept the values underlying the Catholic philosophy of education, and that the student undertakes to participate fully in the faith practices and observances of the school.
2. First preference in Admission is given to families who are actively associated with the Catholic Church. It is not desirable to admit students who would be disturbed because the values, beliefs and practices which are nurtured by the school are not encouraged and supported in the home. It is not possible to separate the educational and spiritual aims of the school.
3. When accepting a place at the College, the potential student and parents accept the obligation that the student will abide by the College rules and standards of conduct and behaviour.
4. In accepting a place for their child at Nagle Catholic College, the student's parents undertake to be supportive of their aims and programs of the College, and to participate in the functions organised from time to time for the full College community.
5. Students are enrolled on the assumption that they are able to benefit from the academic and other programs of the College. It is to be understood that students, as well as receiving benefits, are expected to contribute to the academic and general life at the College.

ENROLMENT POLICY

- Applications for Enrolment are accepted in the context of the Conditions for Admission stated on the previous page.
- Parents/guardians should understand that the College's acceptance of an Application for Enrolment does not guarantee a place, but simply includes the student's name on a waiting list with other candidates.
- Priority in offering places at the College is as follows:
 1. Catholic students from Catholic schools with a Parish Priest's reference;
 2. Catholic students from non-Catholic schools with a Parish Priest's reference;
 3. Other Catholic students from Catholic schools;
 4. Other Catholic students from non-Catholic schools;
 5. Siblings of non-Catholic students;
 6. Non-Catholic students from Catholic schools;
 7. Non-Catholic students from other Christian denominations;
 8. Other non-Catholic students.

ENROLMENT PROCEDURE

1. Submit to the College your Application for Enrolment Form with your Application Fee and relevant documentation as requested.
2. Parents/guardians to whom a place may be offered will be asked to attend an interview.
3. Parents/guardians will be advised of the outcome of their child's application as soon as possible following the interview.
4. Acceptance paperwork will be sent to parents/guardians, which will need to be returned to the College within a set timeframe.

In order to keep this application up-to-date, please continue to forward school reports and other relevant information as it comes to hand.

CAMPS AND TRIPS

All overnight camps or trips are at an additional cost to the family and are not included in the annual school fees account (CONCESSION CARD and NON CONCESSION CARD students).

For students to be eligible for extracurricular activities the College requires families to be in 'Good Financial Standing'. The College defines 'Good Financial Standing' to mean that all school fees will be paid, in full, by November each year. Students of families that are not in a good financial standing with the College, may not be considered for extracurricular activities. We kindly ask that this requirement be taken into consideration when applying for camps/trips.

If your child is attending a camp/trip, a permission letter including relevant up to date costs will be sent home to you. Please refer to School Excursions Policy on our website (www.ncc.wa.edu.au/policies).
